TOPDECK FLOORING

Topdeck Flooring

As Australia's leading timber floorboards supplier and wholesaler, all products imported by Topdeck Flooring are ethically logged and sourced from sustainable, legally managed forests globally. All our business partners and factories hold FSC and/or PEFC Chain of Custody Certifications, allowing our products to hold such scope of certifications.

Lavanda Oak Collection

Inspired by classic European design language, the Lavanda Oak collection depicts the versatility and enduring natural beauty of Oak. This collection is suitable for a variety of interior design themes, ranging from classic traditional to more modern and contemporary styles. The authentic look and feel of our Lavanda Oak Range is enhanced by our specialised process of handcrafting, resulting in a brushed surface floorboard which not only enhances the natural oak grain texture, rather accentuates its unique colour. The beauty of our genuine engineered European Oak is in its natural variations of colour and grain, complimenting the natural knots that run through the floorboard. By highlighting these unique characteristics of European Oak in the finishing process, the Lavanda Oak collection is ideal when it comes to exuding a luxurious feel in any project, opening up a world of options for colour palettes in paint, décor and styling.

The prefinished 1900mm x 190mm x 3/14mm T & G board is finished with a UV lacquer ultra matt finish whilst the cross-layer construction of the multi-ply core allow the boards to maintain stability even over radiant heated subfloor systems.

Newly implemented is the ultimate Sherwin-William coating system, which provides an ultra-clear coat to the floorboard, providing a more scratch resistant process. Furthering this is the ultima sealing on the surface, which provides 48 hours* (*conditions apply refer to Lavanda Oak Collection warranty) of water resistance.

Complimenting the entire, extensive range is our customized stair nosing and scotia accessories to complete the installation process.

Italian designed architecture colors, visual longevity.

701 Cromer Oak

Subtly sophisticated, Cromer Oak's blonde tones complimented by hints of grunge exudes modernity, providing a contemporary option for all design languages.

702 Amaretti Oak

A refined colour, Amaretti Oak's warm brown tones which shift toward a noble grey are able to compliment almost all interior styles.

Amaretti Oak

703 Panania Oak

With a matte finish, the variety of stern grey shades extolled by subtle white undertones portray a soft feel.

Panania Oak

704 Limed Ash

Innovative in its colour scheme, Limed Ash highlights the natural beauty of oak floorboards. Utilising urban grey tones with slight contrasts of lime to subdue the palette, you can't go wrong with this colour.

Limed Ash

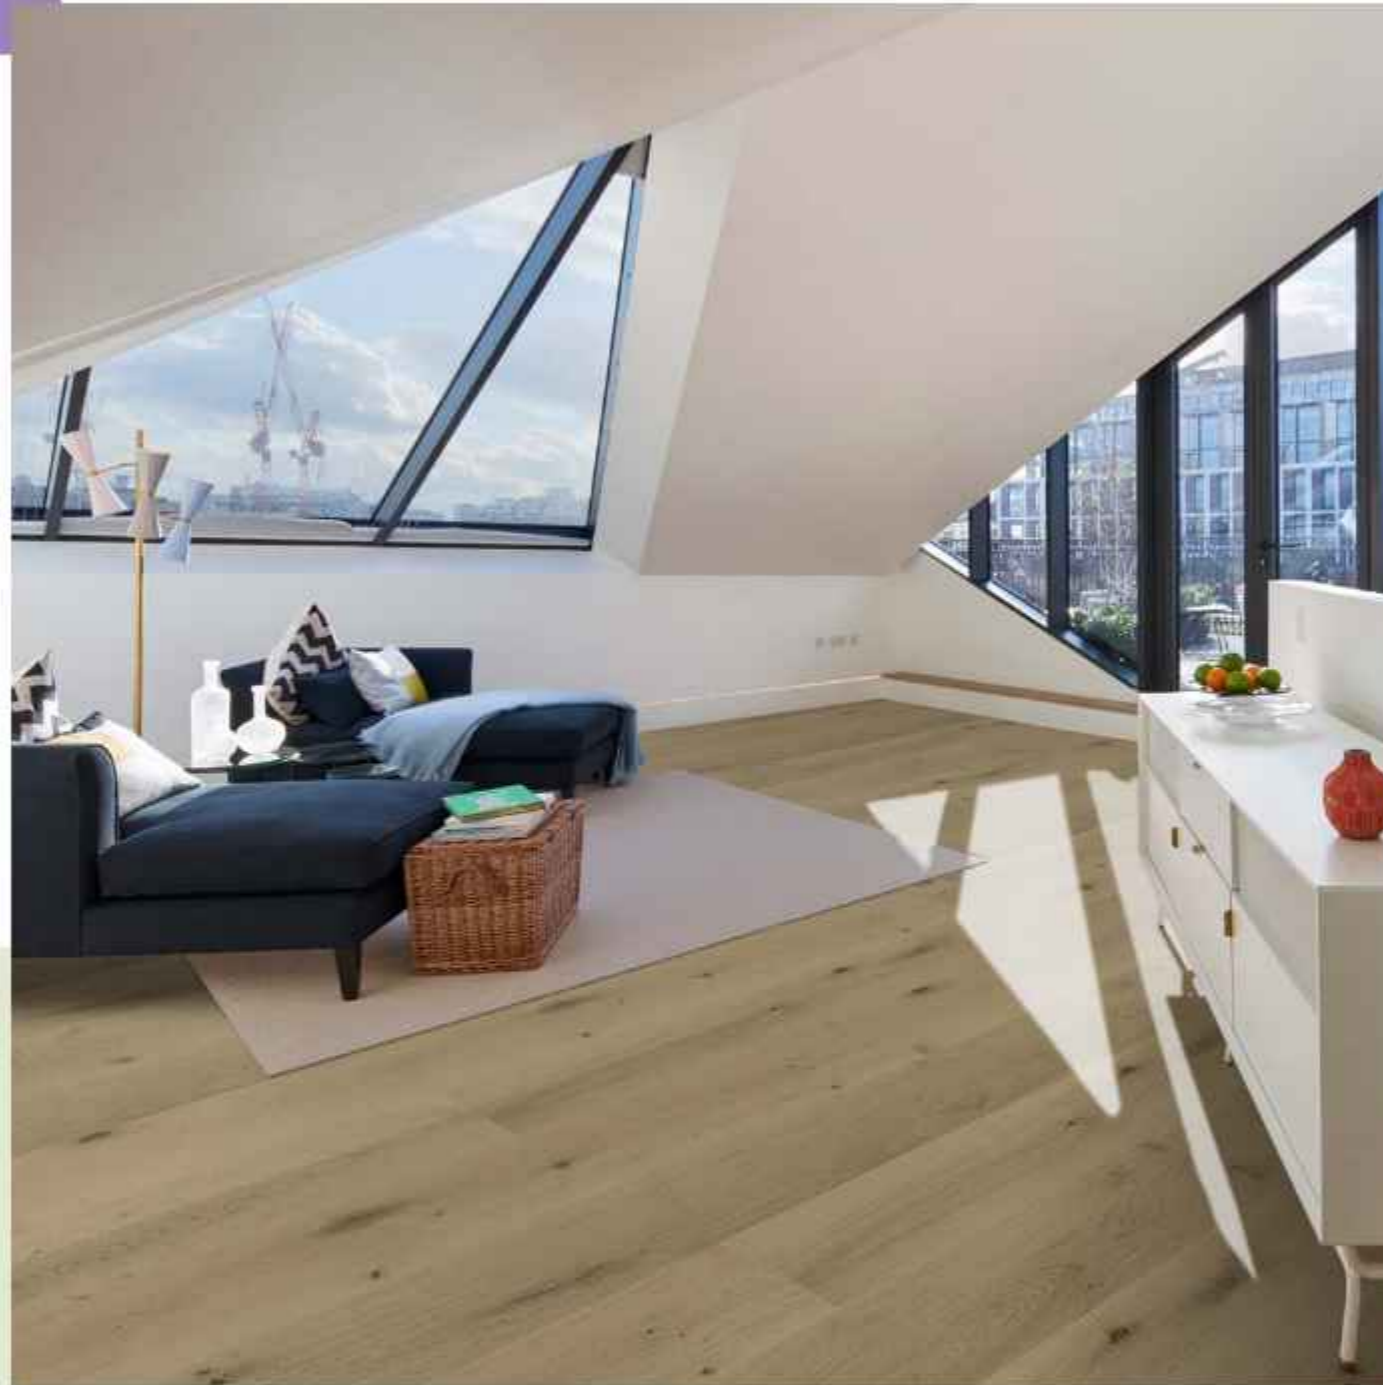

705 Soft Pale Oak

With its rich yet soft tones reddish-brown, Soft Pale Oak provides a colour scheme that is striking to all audiences. Its imaginative yet refined nature is sure to compliment any arrangement.

Soft Pale Oak

706 Champagne

A traditional oak floor that brightens any interior style, Champagne's cream colour and matte lacquer adds complexity to any home.

Champagne

707 Boathouse

Naturally rich in its light brown ashy tones, Boathouse encompasses the traditional floorboards we imagine inside coastal homes.

Boathouse

708 British Oak Natural

With a delicate ash shade, British Oak Natural highlights oak flooring's traditional wood features to provide a timeless floorboard.

British Oak Natural

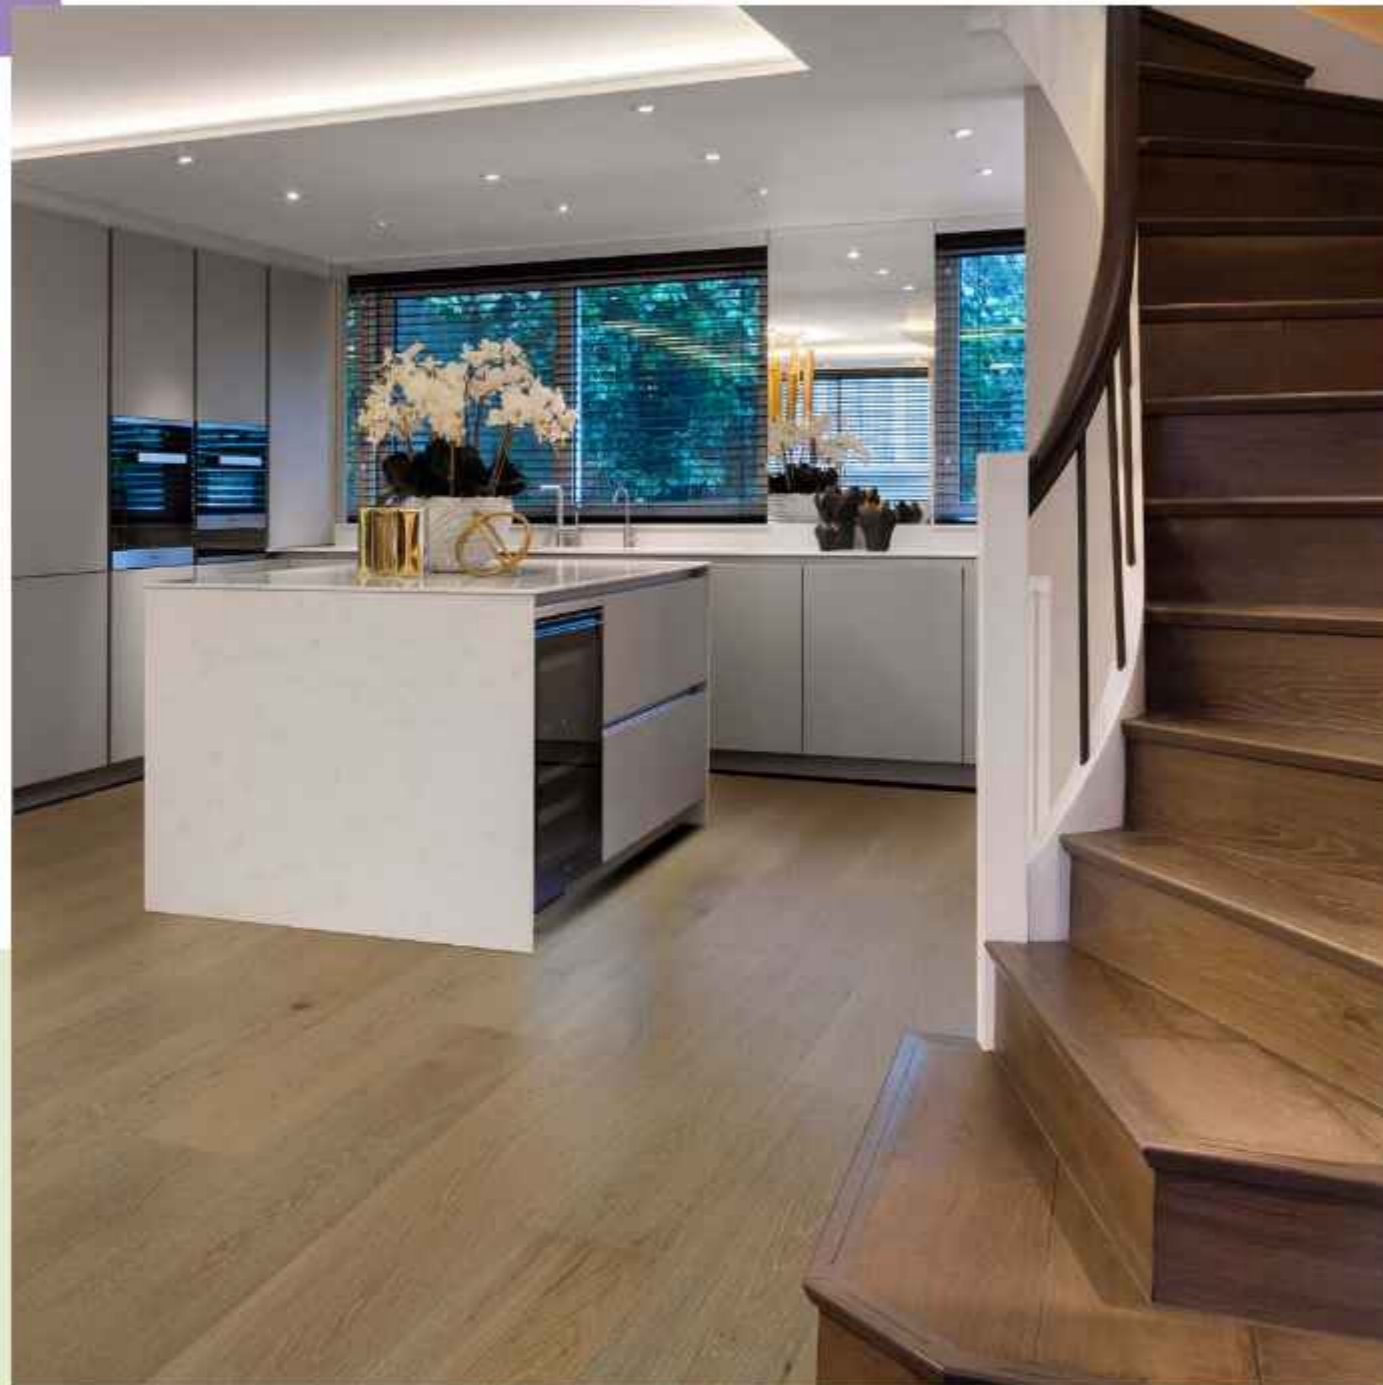

709 Truffle Oak

Characterised by its distinctive graining and natural colour variation, Truffle Oak's dark brown stained colour provides a classy option for any setting.

Truffle Oak

710 Oyster Bay

Beautiful and classical. Oyster Bay's dark honey shade compliments elegant interior furnishing by adding a hint of modernity.

Oyster Bay

711 Monica Grey

Providing unlimited design opportunities, Monica Grey's airy feel is able to provide a subtly dark contrast to a light themed interior, enthusing modern elegance.
